

**“SURVIVING AND THRIVING”**  
**THE GAME PLAN OF A WINNER**  
**II TIMOTHY 3**

**CONNECT:** Think about and identify one or two of the values your parents tried to teach you when you were growing up. In what ways have these truths helped you throughout your life?

**Study:**

In II Timothy 3 two kinds of lives are contrasted: a self-centered life (2-9) and a Christ-centered life (10-17). According to 14, 16, 23, why should Christians avoid stupid and foolish arguments and quarrels about words?

1. Read verses 1-9. Why do think Paul wrote this? Of all the characteristics mentioned here, what area(s) do you still struggle with?
2. Read verses 10-17. Discuss characteristics of a Christ-centered life. What area(s) do you most need to grow in?

**APPLY:** What is one area of your life you want to develop? What can you do to develop that beginning this week? Pray together and ask God to help you in this.
